~ Bleaching Questionnaire ~

Please complete and bring to the office at the time of your appointment.

1. Are you 16 years of age or older? _____
(Parental permission required for patients less than 18 years of age.)
2. Are your teeth sensitive? _____
3. Have you ever been diagnosed or treated for gum disease? _____
4. If so, how long ago? _____
5. When was your last cleaning? _____
6. Do you have any crowns, bridges, veneers or fillings in the front of your mouth? _____

We recommend that you use Sensodyne Toothpaste for at least one week before your appointment to help reduce potential sensitivity during and after treatment.

There will be a visual and periodontal examination by the doctor prior to bleaching to detect potential problems and to verify eligibility.
